Dear Mr. Hickey -

I was extremely sorry to be unable to attend the last Council Meeting - but I got your message from Miss Killeen on Friday night at the Queen's Hall. I will do my best to get about a dozen girls to come & make the collection at the Meeting on the 28th - I think that is what you wanted and I don't think I shall have any trouble to do that.

But I fear the Meeting is not being sufficiently advertised. I thought there would have been bills given out today at the Churches. - Several people I asked to help, have apparently heard nothing of the Meeting at all, & were surprised that there was a meeting.

I'm sorry I was unable to ring you up yesterday morning - but had to go to a funeral - & when I came back

I suppose I was too late, as I couldn't
get on to you at all.

Trusting this has not inconvenienced
you at all
is mine

Societa,
